Dear Candidates and Members,

**Re: Office closed July 2<sup>nd</sup>**

It's been a strange year-and-a-half. Throughout COVID-19, we've all had worries, leaned on each other for help, and often found strength we didn't know we had.

This is true for OEBC employees too, but they've remained dedicated to putting our candidates and Members first through it all. That's translated to a lot of creative solutions, determination, and long hours.

In recognition of the hard work and long hours our employees have put in recently, we're giving them a day off. On Friday, July 2<sup>nd</sup>, our office will be closed to give our team a well-deserved break.

Last September, the OEBC team was the [first among the health professions](#) to conduct the clinical portion of its exam during the pandemic. Everything is set for a safe and successful administration of our clinical exam on July 11<sup>th</sup> (initially scheduled for May 16<sup>th</sup>)

Registration for our fall exam opens at noon on Monday, July 5<sup>th</sup>.

Yours sincerely,

Kim Allen  
Chief Executive Officer
